

CLARK GALLERY

A Honeywell Arts & Entertainment Offering

GUIDELINES FOR THE CLARK GALLERY'S 2026 PHOTOGRAPHY SHOW August 17 - September 23

Welcome to the Clark Gallery Photography Competition! The Clark Gallery hosts more than ten exhibits per year and features students, amateurs, and professionals. Because the Gallery encompasses the semi-circle of the Honeywell Center Porter Lobby, foot traffic exceeds 170,000 guests per year!

Honeywell Arts & Entertainment encompasses the full range of arts opportunities and venues of The Honeywell Foundation, a nonprofit public arts charity in Wabash, Indiana. The organization is dedicated to providing arts, education, and entertainment opportunities for all. Offerings take place at six venues: the Honeywell Center, Honeywell House, Eagles Theatre, Charley Creek Gardens, Dr. James Ford Historic Home, and the 13-24 Drive In. Programs are made possible by the Indiana Arts Commission and the National Endowment for the Arts: a federal agency, and by generous donors.

ABOUT THE COMPETITION:

The Photography Show is historically the largest competition of the year. Competition is steep as the typical acceptance rate is usually around 25%. Many consider being juried into the Photo Show as a great honor and the prizes are coveted. In past years, awards have been distributed to students and professionals alike. Guidelines are listed below:

- A photographer may enter up to three pieces.
- The three categories are: Altered Images, Color, and Black and White (including sepia tones). All three entries can be in the same category. A photographer can enter all categories, but the maximum of three entries total still applies.
- An "altered image" is one that has been manipulated for artistic purposes by applying digital and/or traditional special effects (e.g. colorizing, toning, bleaching, collage and photo composites, high dynamic range HDR, stitched panoramas, etc). Minor adjustments, including cropping, spotting, dodging and burning, contrast and slight color adjustment or the digital equivalents, are acceptable for all three categories. If the judges determine that a photographer has altered his or her photo, they reserve the right to move the photo to Altered Images or to disqualify it.

PRESENTATION STANDARDS

- All entries must be ready for display and include a secure hanging device. Work may be presented either framed (with glass or plexiglass) or printed on an alternative surface (e.g., canvas, metal, stand-out, or flat-mounted).
- The Clark Gallery utilizes a chain-and-hook hanging system rather than direct wall mounting. Artwork **must be compatible** with this system and able to hang from a hook.
- A wire secured between two D-rings or eyehooks is the preferred hanging method. Sawtooth and keyhole hangers are permitted but discouraged.
- All entries must be at least 5" x 7" in print size. Entries must be no taller than 8.5 ft. tall, no more than 2 ft in depth, no more than 5 ft wide. (If a smaller size is required for artistic reasons, please contact Carolyn Stoner, Director of Arts, at cstoner@honeywellarts.org for approval.)

- The Honeywell Center is not responsible for damage resulting from inadequate or failed hanging hardware.

ACCEPTED WORK

- HAE staff reserves the right to remove any works from the exhibition based on special installation circumstances or discrepancies between the juried images and actual work.
- It is the artist's responsibility to obtain a model release from recognizable subjects in portraits and provide the release only upon request.
- The Clark Gallery is a public space. The subject matter of entries must be appropriate for all ages. For example, nudity is not allowed.
- The Honeywell Center has the right to refuse to display an entry based on content.
- The Honeywell Center is not responsible for damage to artwork during the judging, display, or storage periods.
- The Honeywell Center may reproduce artwork for promotional and archival reasons.

ENTRY FORM, FEE, AND LABELS

- Applications must be submitted through a free account on CaFÉ, www.cafe.org.

- All accepted artwork must be clearly labeled with artist's name and artwork title. Labels should be attached securely to the back of each entry in the **lower left hand corner**.
